

Conservation Commission
Sherman, Connecticut

May 8, 2013

The Conservation Commission Meeting was called to order at 7:15 PM on May 8, 2013.

Present: Joanna Wozniak, Chairman, Pat Bailey, Helen Bray, Clerk

APPROVAL OF MINUTES

There were no minutes approved.

Since there were only two commissioners present at the meeting Joanna decided to just have a short informal meeting.

There was correspondence from the Commission on Aging inviting the commission to attend a planning session to make plans for a Community Volunteer Fair in the fall. They would like each volunteer group to send a representative to the meeting. This core group will form the planning committee for the fair. Joanna said that she will not be able to attend but Pat will try after checking her schedule. Hopefully other commissioners can attend. Breakfast will be served to reservations are requested.

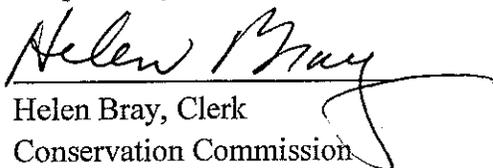

Victoria had mentioned doing an article for the *Citizen News* but has not followed up on it.

Pat asked about the CC fall activities. The farm tour is still being considered and Naromi is interested in doing it again.

There being no further business Joanna made a motion to adjourn. Meeting adjourned at 7:45 PM.

THE NEXT SCHEDULED MEETING IS ON JUNE 12, 2013.

Respectfully submitted,

Helen Bray, Clerk
Conservation Commission
