

**Historic District Commission
Sherman, Connecticut
Minutes – Special Meeting October 15, 2013**

The Historic District Commission Special Meeting meeting was called to order at 8:00 p.m. On October 15, 2013 to address the Sherman Library parking lot lighting plans.

Present: Janet Hopkins, Chair, Alice Schneckenburger, Betsy Scholze, Joel Bruzinski, Jim French and Liz Mard. Clerk Helen Bray was not in attendance and no tape recording of this meeting was made.

Guest: Mason Lord

The Special Meeting was convened in the Historical Society building across the street from the library. The lighting fixtures were lit in order that all could see how they looked.

The installed fixtures were not the ones that had been described in the Certificate of Appropriateness originally issued by the commission.

Following discussions with the applicant's representative the commission voted to approve leaving the existing lighting fixtures in place until June 1, 2014, allowing the library board to open the facility during the interim. The motion to approve was made by Jim French and seconded by Betsy Scholze and unanimously approved by the commission.

Jim French made the motion to adjourn and Betsy Scolze seconded at around 9:00 p.m.

Respectfully submitted

Janet W. Hopkins
Janet Hopkins, Chairman
