Purchases or contracts with a value of less than \$10,000.00 may be made by the Board based upon price/cost quotations. Purchases of less than \$1,500.00 may be made by the First Selectman without the requirement of bids, quotes or proposals. Purchases concerning school supplies, furnishings and equipment, however, shall be made by, through and /or under the auspices of the Board of Education within the constraints of its budget appropriation and not by the Board of Selectmen.

  - (b) The quality of the goods or services to be supplied;
  - (c) The conformity of the submission to the specifications;
  - (d) The suitability of the goods or services to the requirements of the municipal department for which the purchase is to be made;

- (e) The financial resources, insurance coverage and character and ability of the person or firm bidding, quoting or proposing;

- (j) Such other relevant factors which the Board may consider.

2 (B) The Board shall receive the advice of the municipal department as to said Department's needs for which the purchase is proposed as to bids, quotes and proposals relating to the Department. The advice of the affected Department shall be sought on "piggyback" awards as well.

2 (D) If the item(s) to be purchased have been bid upon by any department or agency of the State of Connecticut and such bid price is also applicable to the Town, the purchasing authority (Board of Selectmen) may accept such bid if it determines that the state bid price likely would be the lowest qualified bid if competitive bids were invited. If competitive bids invited on an item for which there is a state bid price applicable to the Town, the state bid price shall be considered a valid bid and shall properly be noted at the public opening.

ARTICLE III

3. In the event of an emergency and due to the existence of extraordinary circumstances, where the goods or services are needed immediately, the First Selectmen, in his discretion, may authorize the purchase of goods or services without competitive bids, quotes or proposals subject to the rule of reason.
