Comments by Commissioners:

The Commission discussed items moving forward in regards to making recommendations to the BoS concerning future housing needs in the Community. The Commission agreed to request the BoS post the survey results on the Town website for Public understanding. The Commission will make a recommendation to the BoS to hold a few informal forums to get input from the Public. Chair Van Plachecki expressed interest in visiting nearby Towns that have Senior Housing units to see a variety of layouts. Also discussed was the need to determine a viable location. The Commission asked the First Selectman to find out about the procedure / need to set up a Housing Authority. Additionally the Commission agreed that it would be advantageous to meet again with Lesley Higgins to discuss housing types and the best fit for Sherman.
